

October is Pennsylvania's Promise for Children Month!

Celebrate the amazing young children in your life and the families, teachers, and leaders that help them reach their promise through quality early learning!

Celebrate a child's promise

Share your child's photo, what he/she wants to be when he/she grows up and why your child is special.

Share how quality early learning is helping your child reach his/her promise.

Make a promise

Share what you promise to do to help young children learn and grow.

It may be reading to your child every day, volunteering at a local child care program, or telling your story to community leaders.

Thank someone for helping young children reach their promise

Thank a family member, teacher, or community leader for helping young children reach their promise. Share how they are making a difference in the lives of young children. Add a photo or artwork. Kids can make cards too!

Keep the promise going!

If you receive a thank you card, send a thank you card to someone else and/or make a new promise for Pennsylvania's young children!

Share your promise!

Take a pic or video of your Promise card, or the person who are sharing the card with and post on PA's Promise facebook or twitter pages or submit to the website! You can also mail copies to PA's Promise, 200 N. 3rd Street, 3rd Floor, Harrisburg, PA 17101.
