

# BE YOUR CHILD'S CHAMPION

## Work Sheet

### Our Conversation

Set up a time to speak with the other person. Tell them beforehand that you have a concern you would like to share with them. Take your “My Thoughts” worksheet to help guide you during the conversation.

Remember: It's not necessary to provide a response to every question. Sometimes, it may even be helpful to admit that you just don't know the answer!

**Can you please tell me your thoughts?**

**What are your suggestions to resolve this?**

**How can we work together to make this happen?**

**What can I do to help make this happen?**

**Can I get additional information?**
