What are Pre-K Assessment Days?

Pre-K Assessment Days are for parents and students who are registered for the 2017-2018 Mars Area Kindergarten Program. These days help to inform parents and teachers of their student's Kindergarten Readiness Skills. The process takes approximately 30 minutes per child from start to finish.

Students will be assessed on various fundamental skills:

1. Letter Identification
2. Number Identification
3. Letter Sound Identification
4. Writing of Child's Name

Parents will receive a copy of their child's assessment upon completion.
