

# I AM ONE

I was not built for silence,  
to eat neatly, ignore my  
curiosity, or always sleep  
through the night.

I need songs and  
nursery rhymes,  
to be held, smiled  
at and kissed,  
and to engage  
the world  
with my whole body.  
Let me play.  
(I'm learning all the time!)
