

Developmental Milestone Check List

18-21 Months

Print this list and check the activities your child can do. Share it with your child's health care professional or teacher or keep for your records.

Child's Name _____ Child's age _____

At this age, toddlers are imitating others. You'll find them copying day-to-day tasks such as brushing hair, or cleaning activities. You may also find them using objects for new purposes, such as using a toothbrush as a brush for their stuffed animal.

What activities might your child do?

- | | |
|--|--|
| <input type="checkbox"/> Can stack 4-6 blocks | <input type="checkbox"/> Copies what other people do |
| <input type="checkbox"/> Will point to things if asked ("Where's your nose? Where are your eyes?") | <input type="checkbox"/> Can keep crayon marks on a piece of paper |
| <input type="checkbox"/> Calls himself by name | <input type="checkbox"/> Can take off coat |
| <input type="checkbox"/> Can say 6-10 words | <input type="checkbox"/> Holds cup well |
| <input type="checkbox"/> Is starting to use words like "me, you" | <input type="checkbox"/> Can kick at a ball |
| <input type="checkbox"/> Can use words to say what he wants | <input type="checkbox"/> Can jump in place |
| <input type="checkbox"/> Can show he likes others | <input type="checkbox"/> Can walk down stairs while holding hand |
| <input type="checkbox"/> May not share ("mine") | <input type="checkbox"/> Holds crayon in fist |

Each activity your child is doing is typical of his or her age.

If your child isn't doing all the activities, it doesn't mean anything is wrong. Children can vary by as much as six months in some of the things they are able to do. If you do have questions about your child's development, you can call the CONNECT Helpline, a program of the State of Pennsylvania.

CONNECT Helpline 1-800-692-7288

The child specialists on the CONNECT Helpline are there to answer questions and provide information about child development for families of children ages birth to age five.
