

# Developmental Milestone Check List

## Four and Half Years

Print this list and check the activities your child can do. Share it with your child's health care professional or teacher or keep for your records.

Child's Name \_\_\_\_\_ Child's age \_\_\_\_\_

At this age, children can understand concepts like same/different and more/less. They can make themselves understood, take turns, and enjoy telling stories and having conversations.

What activities might your child do?

- |  |  |
|--|--|
| <input type="checkbox"/> Can repeat four numbers                                 | <input type="checkbox"/> Can take turns                    |
| <input type="checkbox"/> Matches things that are related                         | <input type="checkbox"/> Calls attention to what he can do |
| <input type="checkbox"/> Can pick out which group has "more balls, more cups"    | <input type="checkbox"/> Can help to serve self            |
| <input type="checkbox"/> Can tell you why, or can say what made something happen | <input type="checkbox"/> Can clean up spills               |
| <input type="checkbox"/> Is using 5-6 word sentences                             | <input type="checkbox"/> Can dress without help            |
| <input type="checkbox"/> Can name four colors                                    | <input type="checkbox"/> Can swing self on swing           |
| <input type="checkbox"/> Can share   | <input type="checkbox"/> Can hop well on each foot         |
|  | <input type="checkbox"/> Can kick large ball with success  |
|  | <input type="checkbox"/> Can connect dots on paper         |

Each activity your child is doing is typical of his or her age.

If your child isn't doing all the activities, it doesn't mean anything is wrong. Children can vary by as much as six months in some of the things they are able to do. If you do have questions about your child's development, you can call the CONNECT Helpline, a program of the State of Pennsylvania.

### CONNECT Helpline 1-800-692-7288

The child specialists on the CONNECT Helpline are there to answer questions and provide information about child development for families of children ages birth to age five.
