

Developmental Milestone Check List

Five Years

Print this list and check the activities your child can do. Share it with your child's health care professional or teacher or keep for your records.

Child's Name _____ Child's age _____

Children at this age can talk with others, answer "How many?" and tell the difference between shapes, toys, and pictures on cards. They can tell you their birthday, name feelings, dress themselves, march in time to music and tell the difference between real and make-believe.
