PENNSYLVANIA EARLY CHILDHOOD HOME VISITING

WHAT IS HOME-VISITING?

Voluntary, family-focused services for pregnant and parenting families with new babies and young children.

WHO BENEFITS FROM HOME-VISITING?

- **Pregnant Women-** Increase of healthy pregnancy and baby.
- **Parenting Families-** increase confidence as a parent.
- **Communities-** Reduction in juvenile delinquency.

WHY PERSONALIZED VISITS?

- Build trusting relationships to support families in reaching their goals.
- Help families develop effective problem-solving skills.
- Help families identify strengths and support systems.

WHAT HAPPENS DURING HOME VISITS?

- Share thoughts, values, and parenting practices.
- Learn new skills and techniques to give their child the best start.
- Get connections to resources in the community.

HOW DO I APPLY?

Families wanting to apply for Early Childhood Home-Visiting programs should contact their local

Early Learning Resource Center
